

Olentangy Watershed Forum 2010

The Olentangy Watershed Forum 2010 was a success. Participants shared problems, solutions and in general had a good time catching up. To remember or to see what you missed, the following are the Power Point presentations.

[Central Ohio Fishes: An Introduction to their Natural History](#)

Mac Albin, Aquatic Ecologist, Franklin County MetroParks

[Action Reports from the Olentangy River Watershed](#)

Brian McCombs, Upper Watershed Coordinator (OWA, Delaware, ODNR Wildlife).
Kim Williams, Program Coordinator at Friends of the Lower Olentangy Watershed
Ryan Pilewski, Olentangy, Big Walnut and Alum Creek Watershed Coordinator at Franklin Soil and Water Conservation District

[Best Management Practices at Waterman Farms](#)

Jessica D Ambrosio, Program Manager at Ohio State University NEMO
Kyle Wilson, Natural Resource Conservationist at Franklin Soil and Water Conservation District

[TMDL and Urban SubH2Oshed Initiative](#)

Amy Dutt Owner of Urban Wild and FLOW Science Committee member
Ryan Pilewski, Watershed Coordinator, Franklin Soil and Water Conservation District

[Balanced Growth Planning for the Olentangy Watershed Planning Partnership](#)

Joseph Kitchen, Associate Planner at Mid Ohio Regional Planning Commission

[Real World Actions towards Water Resource Sustainability](#)

Vinnie Tremante, Ohio Office Operations Manager at Williams Creek Consulting

Stakeholder Communication: What Works and What Doesn't

Joe Heimlich, Professor and Specialist at OSU Extension@COSI (didn't provide power point but engaged everyone with a dynamic question and answer session.)
